

## Specifications

Housing material	Aluminium   Stainless steel
Surface finish	Brushed
Cover material	Acrylic   Glass
LED type	Samsung LH351B
LED lifetime	L90B10 @ 80.000 hours
CCT	3000K   4000K or on request
Lifetime fixture	15 years
Voltage	230 V
CRI	≥ 80
Dimmable	None   DALI   1-10V
Future proof	Yes
Efficiency	150 Lumen/Watt
Max light output	2.700 lm
Lens	10, 25, 45 or 15+40°

 All specifications can be customized on request, please contact us for more information
